

INTRODUCTION

Our Understanding of the Government's Discussion Questions. Manu Kai appreciates the opportunity to participate in discussions with the Government. We focused on answering the Government's questions in order to clarify our approach and alleviate any concerns about our Team's ability to meet mission objectives. We understand the Government's expectation that Manu Kai comprehensively correct all unacceptable and questionable areas and faithfully update the TF! and corresponding proposal narratives. It is our intention and belief that by answering every question Manu Kai will provide a Final Proposal Revision that ensures the Government the best-value solution for PMRF.

Our Approach in Preparing our Final Proposal Revision. We carefully addressed every discussion question and, by listening to the guidance provided at face-to-face discussions, prepared our Final Proposal Revision accordingly. Our process consisted of the following:
